The same sight-line limitations shall apply on any lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.
20. Duration of Restrictions. The covenants and restrictions in this Declaration shall run with the land and be binding on all persons acquiring title to any of the Lots for a period of twenty-five (25) years from the date hereof and shall thereafter be automatically extended for successive periods of five (5) years unless revoked by a majority of the then current owners of the Lots by a written instrument executed by and recorded in the Cabarrus County Public Registry.
